Dear Parents:

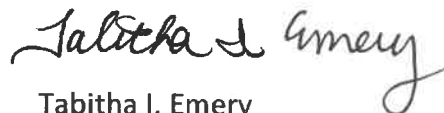

After meeting with teachers and finding a middle ground for the last 8 ½ days of school, please make sure that all students clothing is not showing undergarments or private areas.

I will keep an eye on students ensuring that we are doing our best faith effort to maintain an equitable learning environment.

We recognize that portions of our dress code may be considered antiquated and we will be working on it to update it over the summer. We encourage you to send sample language and/or thoughts on how to change the dress code to me or consideration at [temery@strattonschool.org](mailto:temery@strattonschool.org). Please see attached our current dress code.

Thank you for working as a team to educate our children.

Yours in Education,

Tabitha I. Emery  
Principal

### **SPECIFIC GUIDELINES AND EXPECTATIONS ARE LISTED BELOW:**

Students are expected to dress in such a way that encourages academic excellence and is not distracting. They need to be dressed appropriately for the weather and their job. We ask all parents to help their child dress/choose clothes that will assist in success for all children Pre-Kindergarten to Grade 8. This includes but is not limited to:

- Shorts and skirts that reach to the fingertips or below
- Shirts having shoulder straps at least two fingers wide and cover the under arm.
- Clothing that does not allow any undergarments to be showing
- Leggings worn with a shirt or other article of clothing covering the bottom.

Children will be allowed to call home on the first dress code offense. After the first offense children will be given clothes meeting the dress code criteria to be worn for the day.
